

RESOLUTION 2018-62

A **Resolution of Intention** of the Four Corner County Water and Sewer District Authorizing the expenditure of up to Eight Million Two Hundred Thousand Dollars (\$8,200,000) for financing and constructing a water reclamation facility.

RECITALS

WHEREAS, the Four Corners County Water and Sewer District ("District") is a county water and sewer district duly established in 2003;

WHEREAS, the District continues to grow in customers and requests from lands to annex which places an increased demand upon the wastewater facilities to provide service; and

WHEREAS, the District formed a subcommittee to study and make recommendation as to the most effective and least costly manner to expand sewer treatment for the District; the subcommittee researched and recommends the District proceed with plans to construct a water reclamation facility on lands owned by the District and authorizes the expenditure of up to Eight Million Two Hundred Thousand Dollars (\$8,200,000) for financing, issuing bonds and constructing the same.

NOW THEREFORE, the Four Corners County Water and Sewer District states its intention to authorize the expenditure of up to Eight Million Two Hundred Thousand Dollars (\$8,200,000) for financing and constructing a water reclamation facility.

The hearing on the Resolution shall be held on the 27 day of MARCH, 2018 at the hour of 6:30 p.m. at Manforton Elementary School, Bozeman MT 59715.

Dated this 20 day of February, 2018.

Cory Klumb, President

ATTESTED:

Maralee Parsons Sullivan, Secretary
