

RESOLUTION 2018-21

A Resolution of the Four Corner County Water and Sewer District Verifying the 2018 Special Assessment Equalization Rate amount per lot, tract and parcel annexed after December 23, 2015.

RECITALS

WHEREAS, the Four Corners County Water and Sewer District ("District") is a county water and sewer district duly established in 2003; and

WHEREAS, the of special assessment tax set forth in Resolution 2018-18 in which the District sought the Gallatin County Treasurer to levy the special assessments on tax bills was calculated to be \$509.00; and

WHEREAS, upon final calculations by the Gallatin County Treasurer, with modified number of lots, parcels and tracts to be assess changed to 1,619, the special assessment tax levy charged against all lots, parcels and tracts in the District since December 23, 2015 as amended, the special assessment tax levy charged was \$502.34; and

WHEREAS, the Special Assessment Equalization Rate shall be equal to the amount of the special assessment tax levy presented on tax bills.

NOW THEREFORE, the Four Corners County Water and Sewer District resolves that the 2018 tax year Special Assessment Equalization Rate collected from the lots, parcels and tracts not within the District boundaries as of December 23, 2015 shall be the same amount as the special assessment tax levy, which is \$502.34. This amount will be billed monthly on the water and sewer statement for all properties that have annexed to the District after 12/23/2015. The monthly amount of \$41.86 shall be collected in twelve equal installments as \$18.47 for water and \$23.39 for sewer. The said amounts will first reflect on the January 2019 statement.

Dated this 12 day of December 2018.

Cory Klumb, President
