

RESOLUTION 2019-06

A Resolution of the Four Corner County Water and Sewer District to Award Construction contract for water reclamation plant

RECITALS

WHEREAS, the Four Corners County Water and Sewer District ("District") is a county water and sewer district duly established in 2003; and

WHEREAS, the District, commencing in early 2018, began evaluating the need and technology to supply sewer treatment to District customers and provide adequate redundancy within the system; and

WHEREAS, in furtherance of the construction of an additional treatment facility on District owned property, the District published Bid Documents on QuestCDN and pursuant to MCA 7-1-2121, in the Bozeman Daily Chronicle; and

WHEREAS, on May 20, 2019, the submitted construction bids were opened and referred to the engineer for opportunities for reduction as all of the bids exceeded the estimates and were evaluated by the water reclamation facility committee in order to bring forward a recommendation for award; and

WHEREAS, during the intervening time due diligence was conducted by the engineer and the water reclamation facility committee as well as discussions were undertaken with the low bidder and second lowest bidder to deal with cost reductions for the project.

NOW THEREFORE, the Four Corners County Water and Sewer District resolves to award the construction bid to Strategic Construction Solutions, INC, who was determined to be the lowest bidder and lowest responsible bidder for the project; and

All recitals set forth above are incorporated into the Resolution.

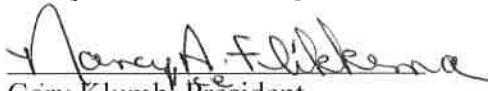

The award of the bid for construction of the project shall include terms in the contract which allow the parties to identify and implement cost savings changes to lower the overall cost of the project.

A copy of this Resolution shall be incorporated into the contract executed with the lowest responsible bidder and shall be provided to the lowest responsible bidder upon execution.

Dated this 9 day of July, 2019.
